## Safety and Buildings Division Rental Weatherization Continuing Education 2001 Update #2

The Safety and Buildings Division will be offering, with the help of Bruce Senti, PasTechnologies, classroom training and tours of various distributors, manufacturers, and suppliers of energy related products. The tours have been approved as continuing education for Rental Weatherization Inspectors. Participants may attend as many of the sessions and tours as they wish. There will be a **\$50 fee** for each session. This fee includes a continental breakfast, a working lunch, the tour, and refreshments, as well as training materials and code updates.

There will be classroom instruction and tours of a:

- Heating, Ventilating, and Air Conditioning distributor--Pewaukee, February 1, 2001
- Manufacturer of energy recovery ventilators--Madison, February 6, 2001 (limited enrollment)
- Building materials supplier--La Crosse, February 8, 2001
- Window manufacturer—Wausau, February 13, 2001
- A very large HVAC supplier—Green Bay, February 15, 2001.

It is important to note that Rental Weatherization Inspectors must complete their training prior to March 31, 2001, if they need the hours to apply to the current licensing cycle ending June 30, 2001. Please contact the Safety and Buildings Division Credentialing Unit at 608-261-8500 for information regarding individual continuing education hours and renewal cycles.

**Do not contact the Safety and Buildings Division for additional information regarding these seminars. Please contact Bruce Senti.**
